Dakota CUSD #201 Chromebook Device Accidental Damage Insurance Agreement:

Optional Chromebook insurance may be purchased through the Dakota Community Unit School District #201 prior to the deployment of the Chromebook to your child. The insurance cost is $30.00 annually for each Chromebook. The first claim for accidental damage will have no deductible, however, recurring claims will have deductibles increasing in increments of $30.00 for each claim. Deductibles for destroyed devices may be higher. If a student withdraws from Dakota Community Unit School District #201 and then re-enrolls later in the current school year, the coverage purchased at the student's initial registration will be reinstated along with the number of claims made prior to withdrawal. Insurance must be paid for by September 15 of every school year for accidental damage to be covered for that school year.

Lost, Negligently Cared for, Intentionally Damaged, or Uninsured Devices and Accessories:

A Chromebook or any of its accessories that are lost (whereabouts unknown), negligently cared for, or intentionally damaged is the responsibility of the student and parent involved in the loss of property and not covered by the above Chromebook insurance. The user will be given another device or accessory and the appropriate charge will be assessed to the student's account.
